**A saying from his honor about those who do not know his value now and mock his invitation toward Mahdi.**

«چگونه بدون آفتاب، روز را خواهند دید و چگونه بدون آب، سبزی زمین را؟! بلکه شام آنان تا ابد ادامه خواهد داشت و زمین آنان مانند شورزار خواهد بود؛ چراکه خلیفه‌ی خداوند بر آنان مستولی نیست و احکام او در میانشان جاری نمی‌شود. بگذار کسانی که به وجود خداوند ایمان ندارند و کسانی که برای او شریک می‌گیرند، به سخن من استهزا نمایند و در پی بازی خود بروند؛ چراکه آنان مانند کشنده‌ی خویش پشیمان خواهند شد و مانند خورنده‌ی نجاست قی خواهند کرد! آن‌گاه در طلب من به دریا خواهند زد و از گردنه‌های کوه‌ها خواهند گذشت؛ بلکه من را در شکاف صخره‌ها جستجو خواهند کرد و از چوپان‌های دشت‌ها سراغ خواهند گرفت؛ تا سخنی را برای آنان بازگو کنم که امروز از من نمی‌شنوند و راهی را به آنان نشان دهم که اینک از من نمی‌پذیرند!»

**Translation of the Saying:**

How will they see the day without sun light and how will they see the greenery without water?! Rather their night will last forever and their land will turn to salt marsh; because the Caliph of God is not governing over them and his law is not ruling over them. Let those who do not believe in existence of God or those who associate partners with Him, mock my words and follow their games and entertainments. Because they will regret like someone who has murdered himself and will vomit like someone who has eaten filth. Then they will look for me in the seas and they will pass through the valleys and on the defiles and search for me. Rather they will search for me in gaps of the rocks and will ask the shepherds in the plateaus to re-tell them the speech which is ignored now by them and to show them the path that they do not accept from me now!

**Explanation of the saying:**

The words that is not heard from him today is the necessity of “return to Islam” and the path that is not accepted from him now is the details of how to prepare the grounds for reappearance of Mahdi.
