I am a resident of Afghanistan. ISIS has begun its work here and by the excuse of unjust caliphate is hiring and taking allegiance from people for itself! It is said that from April it is going to began what it has begun in Iraq! I beg his honor Mansoor who considers allegiance for God alone and invites toward Mahdi's caliphate to stop them and stand against them and in anyway that he can, does not let them who are worse than Taliban to spill Muslims' blood specially poor Shiites of this country; Since if they began their work here it is not known what calamities they will bring upon these people specially Shiites. I think no one except his honor Mansoor is left for us who can stand against this Gog and Magog! Because only he considers allegiance for God unlike Taliban and Al-Qaeda and ISIS and such, who invite to pledge allegiance to themeselves and behind the titles of caliphate and Islamic state, are carrying on their works! For God's sake do something, because time is short and the government of here is weak and can not do much work! The units of Taliban also have joined them!

Your honor Mansoor! Your invitation toward pledging allegiance to Allah and the caliphate of his honor Imam Mahdi, is true! For God's sake try to stop vagrancy and homelessness of us, the people of Afghanistan, from starting again so that we do not become like the people of Iraq! Find and bring his honor Imam Mahdi as soon as possible so that he will rescue us from this seven-headed dragon!

Worried and aware brother!

His honor Mansoor Hashemi Khorasani is aware of activities of the corrupt groups in the region and keeps his eyes on their actions with accuracy, but the fact is that his honor is not a sorcerer to read a spell and with the power of his spell, stops them and prevents their infiltration in the region, rather he is just an enlightener and a well-wisher scholar who invites Muslims toward Mahdi peace be upon him, with the power of his wisdom

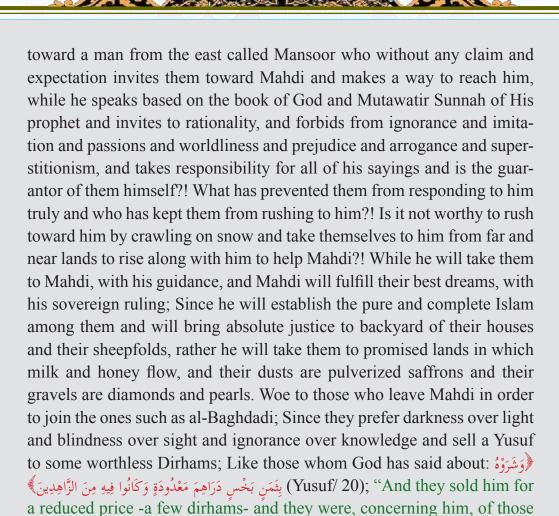

and proof and forbids them from anyone other than him and if Muslims do not respond to him and do not help him to make Mahdi peace be upon him appear, there is nothing his honor can do. Although his honor prays and requests from the merciful God the freedom of oppressed and poor people of this region from evil people, but taking any pragmatic action by his honor to repel evil people, depends on sufficient demand and support of Muslims in this region. Unfortunately Muslims of this region, still are in ignorance and do not feel the danger of such corrupt groups, nor do they think of any measure to prevent their infiltration that will lead to annihilation of their lives and wealths and women. They will come to their senses only when they find heavy shades of these corrupt groups upon themselves and are besieged by them and at that time there is nothing they can do and have no choice but to be patient about their sons getting killed and their daughters taking as bondwomen and their homes destroying. This will be the consequence of the ignorance in which they are today; Since they are in ignorance today and do not appreciate the existence of a person like Mansoor Hashemi Khorasani, while his honor has a great spiritual power to confront these corrupt people and holds a great intellectual talent to wipe out their seditions, to the extent that even many members of these groups under the influence of his honor's invitation and its supremacy over the invitation of these groups, are willing to join his honor and as soon as they get to know his honor's thoughts and aims, separate from these groups; Because most of them, are naive and sentimental youth who by the passion of Jihad in the way of God and helping to create the Islamic caliphate, join these groups and when they hear Mansoor Hashemi Khorasani's pure invitation toward the real Jihad and Mahdi's caliphate which is relied on the book of God and the mutawatir Sunnah of His prophet, realize their mistake and repent of it. Therefore, Mansoor Hashemi Khorasani invites all Muslim members of ISIS, Taliban, Al-Qaeda and other groups just as other Muslims in this world, toward pledging allegiance to God and abandon allegiance to others and wants them to stop creating sedition and spreading corruption on earth and do not sacrifice the lives and wealths and women of Muslims to their ambition and desire for ruling, more than this; Because God has reserved the house of Hereafter for those who do not seek superiority nor corruption on earth, and future belongs to

## the pious; As He has said: ﴿ وَلِلْكَ الدَّارُ الْآخِرَةُ نَجْعَلُهَا لِلَّذِينَ لَا يُرِيدُونَ عُلُوًّا فِي الْأَرْضِ وَلَا (al-Qasas/ 83)!

There is no doubt that Mahdi is better than Abu Bakr al-Baghdadi, Muhammed Umar and Ayman Zawahiri, for Muslims of this world; Since those like them probably wish to have him (Mahdi) and do not even deserve to put his shoes before his feet; Given that Mahdi is God's caliph on earth based on the book of God and Mutawatir Sunnah of His prophet peace be upon him and his household, but they are not anyone based on the book of God and Mutawatir Sunnah of His prophet peace be upon him and his household. With this description, it is better for them and their followers to accept Mansoor's invitation and return toward Mahdi, if they are truly Muslims and seek to establish Islam.

Undoubtedly Mansoor Hashemi Khorasani's invitation toward Mahdi, is a great and challenging examination for supporters of ISIS, Taliban and al-Qaeda; Since if they do not respond to it, they reveal their hypocrisy, and announce to all Muslims of this world that they are not truly Muslims and do not seek to establish Islam, rather they just seek power and have no dream except monarchy; Like the oppressors who were before them, and used the lives and wealths and women of Muslims in line with their own interest, until death suddenly descended upon them, like an eagle which descends upon a goat, and took them from the earth and threw them into the Hell; While if they respond to Mansoor's invitation toward Mahdi and unite with him to create the sovereignty of Mahdi, the grounds for the sovereignty of Mahdi will be prepared and their ultimate purpose will be achieved in the best possible way; of course if their ultimate purpose is to establish the pure and complete Islam in this world; Since if their ultimate purpose is something else, the curse of God and His servants is upon them and reaches them sooner or later and scatters them around the earth, like how the wind removes some ashes from ground and then there will be no gatherer for them!

Do Muslims who call themselves Mujahideen and divide themselves into the Muhajirin and Ansar, not know that the best Jihad, is Jihad along with Mahdi and the best immigration, is the immigration toward Mahdi and the best help, is the help for Mahdi?! Then why do they not gravitate

Is there not a wise man under the sky, and a reasonable woman on earth to hear the call of Mansoor Hashemi Khorasani and to come out for helping Mahdi? Down with a world in which there are helpers for any bear and supporters for any demon, but there is not any supporter for Mahdi and any helper for the inviter toward him! Do those who aid the inviter toward himself with their lives and wealths, but humiliate the inviter toward Mahdi and leave him alone, not believe in the resurrection day? The day that earth vomits their bodies to stand on one foot in the God's law court of justice and to answer His questions about this great betrayal; Since they ignored the inviter toward God and responded to the inviter toward Satan and by doing so, disarranged the rules of this world and tore the string of nature apart. So their punishment in this world, became the domination of the evil people, so that they would cut off the heads of their men and sell
