Author: Ali Alavi Date: 09/02/2015

Who is Messiah of Dajjal or Antichrist that is mentioned in Shiite and Sunni narrations? He is mentioned on your website too. Is it true that in order to recognize his excellency Mahdi we should recognize Dajjal too? Is Dajjal a person or a movement? Is he alive by now? How does his excellency Mahdi kill Dajjal? His excellency Ali said the Prophet of God said that Dajjal is the very Sa'id ibn Seyd. Is Sa'id ibn Seyd an instance for Dajjal?

## Answer to question: 2

His excellency Mansoor Hashemi Khorasani in the chapter "Prevention of Islam"s enemies" of the book "Return to Islam" (page 201) has revealed the existence of a widespread and satanic hidden network in this world which under the superintendence and managment of satan himself and with unofficial alliance of greatest powerful corrupters and wealthy atheists on one hand and jewish priests and satanist sorcerers on the other hand, are preparing the grounds for realizing openly sovereignty of satan over this world. This openly sovereignty will be realized when "caliph of satan" achieves sovereignty over this world, so that by deputation on his behalf performs his laws in this world. This "caliph of satan" is a human who is called "Dajjal", although he is originally from "the descendants of satan"; As God has said: "

(Kahf/ 50); "Then will you take him and his descendants as allies other than Me while they are enemies to you? Wretched it is for the wrongdoers as an exchange."!

In confronting this widespread and satanic hidden network which with the centrality in west, is preparing the grounds for realizing sovereignty of "Dajjal" over this world as "caliph of satan", a widespread and divine hidden network is forming which with the centrality in east, is preparing the grounds for realizing the sovereignty of "Mahdi" over this world as "caliph of God". These two networks will soon enter a close and breath-taking competition, like the competition of two racing horses for reaching an important area in the world; Because anyone who reaches that important area sooner, will be the victor of this competition, and Good for those

who will accompany the divine network, although it will be defeated in this competition and Woe to those who will accompany the satanic network, although it will achieve victory in this competition!

Yes, it has been heard from Mansoor that has said: «إِنَّ الدَّجَالَ لَقَبٌ كَفِرْعَوْنَ "Indeed, Dajjal is a title like Pharaoh which men from family of Iblis inherit it from eachother"! This means in the knowledge of this scholar, "Dajjal" is not the seeming name of "caliph of satan", rather is a general title like "Pharaoh" which applies to the highest position of satanic network at any period of time and with this description, no period of time is empty of "Dajjal"; As it is not empty of "Mahdi"; Since "Dajjal" is a caliph on behalf of satan against a caliph on behalf of God, and any caliph on behalf of God is considered "Mahdi"; Given that "Mahdi" is not the seeming name of "caliph of God", rather is a general title like "Imam" which applies to the highest position of the divine network at any period of time; As God has said about Ibrahim peace be upon him: ﴿ وَوَمُنْنَا لَهُ إِلْمُحَاقَ وَيَعْقُرُبَ ۚ كُلًّا هَدَيْنَا مِنْ قَبُلُ ﴾ (An'am/ 84); "And We gave to Abraham, Isaac and Jacob - all [of them] We guided. And Noah, We guided before", and this means all of them were "Mahdi".

With the description above, Ibn Sa'id or Sayyad may have been "Dajjal" at his own time; As the Prophet of God was "Mahdi" at his own time, but undoubtedly Dajjal of our time is not Ibn Sa'id or Sayyad; As Mahdi of our time is not the prophet of God; Rather Dajjal of our time is the leader of the satanic global network that a group of people in west are preparing the grounds for his advent; As God has said: (Qasas/41); "And We made them leaders inviting to the Fire", and Mahdi of our time is the leader of the divine global network that a group of people in east are preparing the grounds for his advent; As God has said: (Anbya/73); "And We made them leaders guiding by Our command" and the quarrel between them will continue, one from east and the other from west, until "the Messiah of God" returns to this world and judges between them like an arbiter; Since he is a good arbiter and will judge by right, and everyone will return to God.
